We, Seniors of SHS, decided to dedicate our 1981 annual to a person who does alot for this school system. She types, sells candy during her lunch hour, runs errands, answers phone all day long, and still has a friendly smile for everyone. She works very hard to help all of us in any way she can. Her name is Mrs. Opal Kaiser, and we feel that she deserves alot of thanks for being not only a good secretary in this school, but also a good friend to all of us.

And so, with this dedication, we say "thank you" to Opal.

1981 Dedication

An Editor's Note

We, as the co-editors of this year's annual, would like to take this time to say thank you to all the people who helped us, in one way or another, put this yearbook together. Thank you to all the merchants of Cherokee, Spencer, Hartley, Sanborn, Pringhar, and especially Sutherland for their support in buying our advertising, and thank you to the people who supported us by buying Christmas wreaths. Thank you to Nancy Kruse for her help in our wreath campaign, to Carole Negus and Alvin Dau for their assistance on the days we sold ads, to Mark and Mary Freeman for taking and developing our pictures, and to the Cherokee Times and Sutherland Courier for their contribution of photographs. Thank you to those teachers who cooperated so nicely on the days we took pictures, and to Dunrock-Salie Studios for their services. Thank you to Mr. Brink, our advisor, for putting up with us, and to our staff, Cathi, Nancy, Tammy, Scott, Eric, and Brian, for their dedication, hard work, and patience. And especially, we would like to thank **you** for purchasing a yearbook, because that's what makes all the hard work worthwhile!

The Best Of Times

Poem to the Seniors

Dedicated to you is
the prom of 1981,
It shows our thankfulness
for all that you have done.

We appreciate the
friendships you've shown
And wish to you, happiness
beyond all known.

The class of 1981 has been
successful in the past
And we know that
this success will last.

Fun times and bad times
have been endured by all
But bad compared to good
seems comparatively small.

Each day brings you
closer to your goals in life.
To some it will be a long
road, filled with strife.

It is important to reach
for rainbow ends
And to keep on trying to
make new friends.

You can obtain anything
as long as you try
So set your future's goal
much higher than high.

Your future is ahead
and the ladder to success
will need many climbs,
So we wish you luck,
and we hope that all
experiences have and will be

On April 16 they placed 4th in the state of Iowa, in class C. The Jazz band also performed at school activities and community events.
