

Tiger Duke 1990

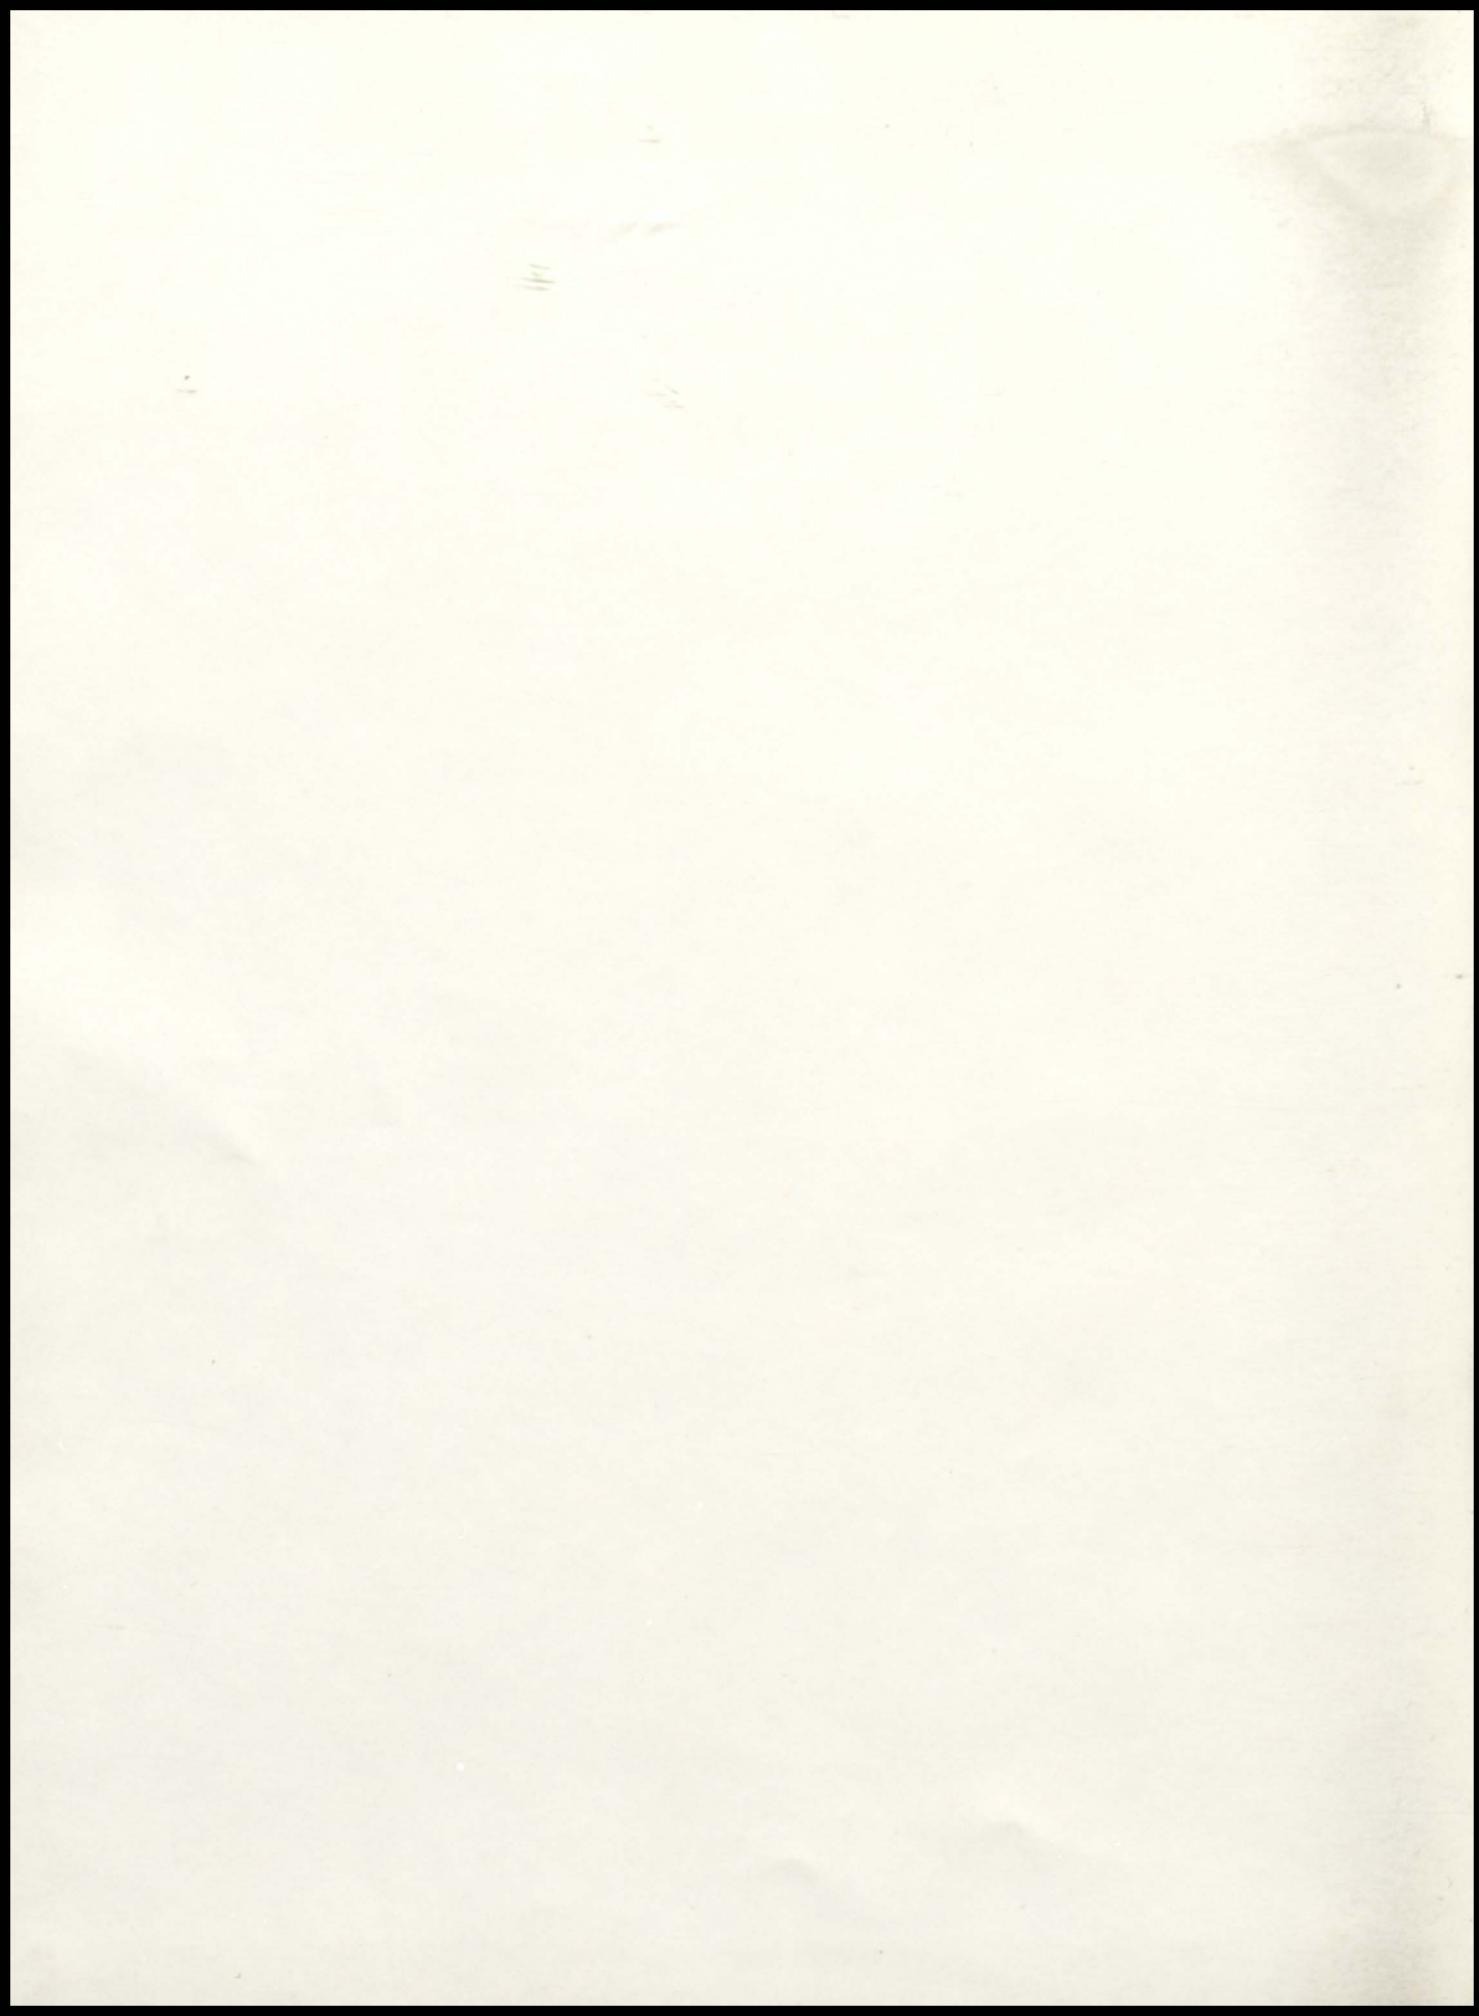

Three young men are positioned at the top of the group. The man on the left is sitting on a wooden ladder, wearing a striped polo shirt and light-colored jeans. The man in the middle is standing on the ladder, wearing a blue and black plaid shirt and light-colored pants. The man on the right is standing on the ground, wearing a denim jacket and jeans, with his arm resting on a wooden post.

The middle section of the group consists of several young men and one young woman. One man is wearing a dark jacket with "PENN" written on it. Another man is wearing a light blue t-shirt. A young woman is wearing a blue cardigan and light-colored jeans. The group is posed in a way that suggests a casual, friendly gathering.

The bottom section of the group features four young women and one young man. One woman is wearing a white sweater and light-colored pants. Another woman is wearing a black and purple striped sweater. The young man is wearing a brown leather jacket and jeans. They are all sitting on the brick steps, looking towards the camera.

# DEDICATION

We would like to dedicate this yearbook to the student body of Sutherland High School, past and present. Thanks to these people the TIGER SPIRIT and TRADITION live on and will continue to survive. We picked the Time Theme because Sutherland High School has run out of time. We realize that the past and present students of Sutherland will keep the memories of the times they lived within these walls. They will remember the happy times, sad times, and celebrations. They will always carry a part of the Tiger tradition in their hearts and memories.

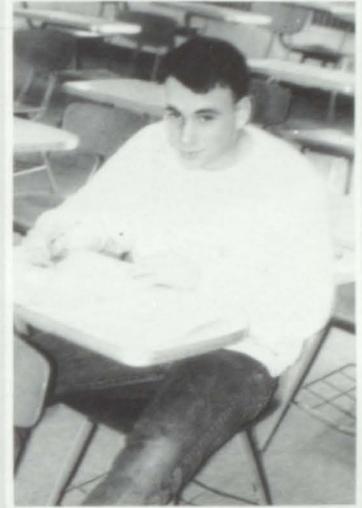

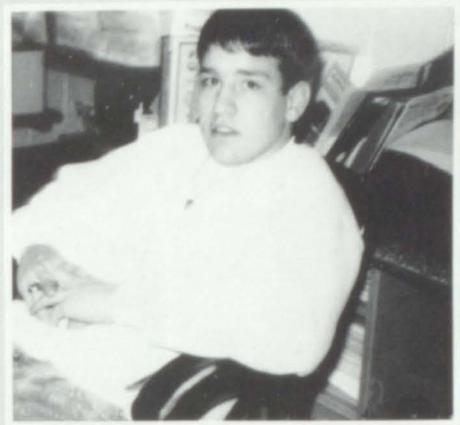

The faculty of Sutherland High School has contributed to these memories and we would like to include them in this dedication. Without their hard work and extra time Sutherland would not have been as great. We would like to thank them for teaching us more than what was in the books, and putting up with all our pranks and excessive chatter.

# THE PIANIST

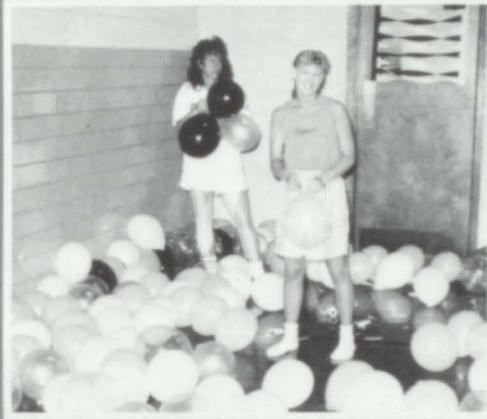

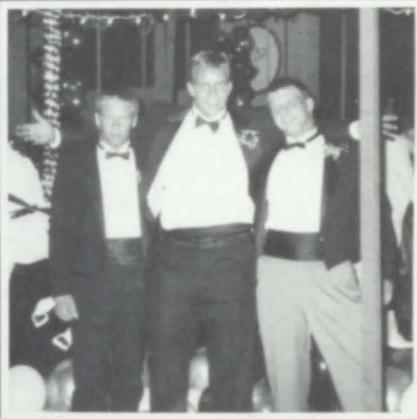

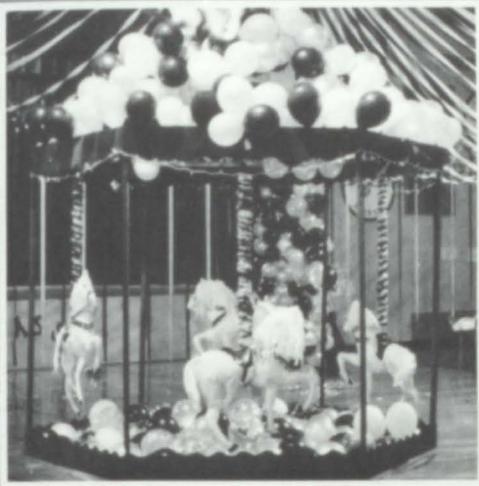

# "A TOUCH OF CLASS"

Prom King: Kirk Struve  
Prom Queen: Chris Jalas

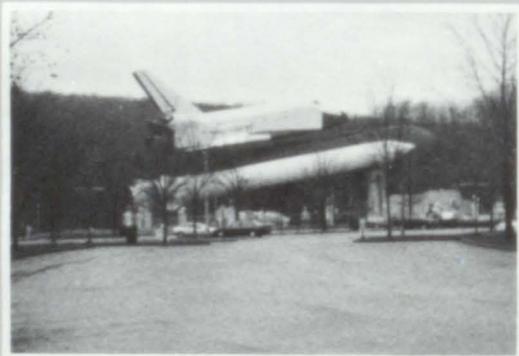

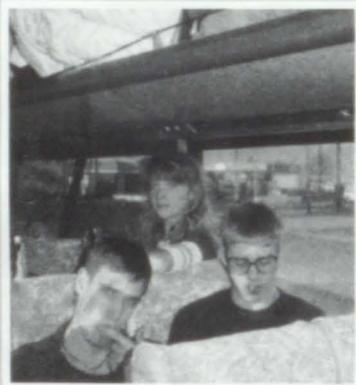

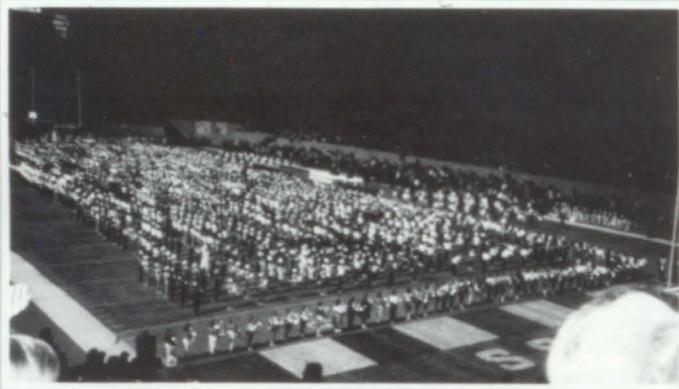

The 1990 Junior-Senior was a great success. The black and white color scheme tastefully added "A Touch of Class" to the dance. Coronation of the prom king and queen followed a very glamorous grand march. Chosen for this year's king and queen were Kirk Struve and Christine Jalas. Following the dance the after prom party was held at the Piz-za ranch.

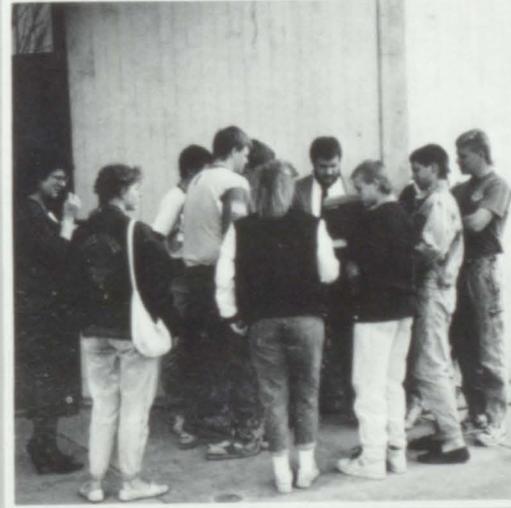

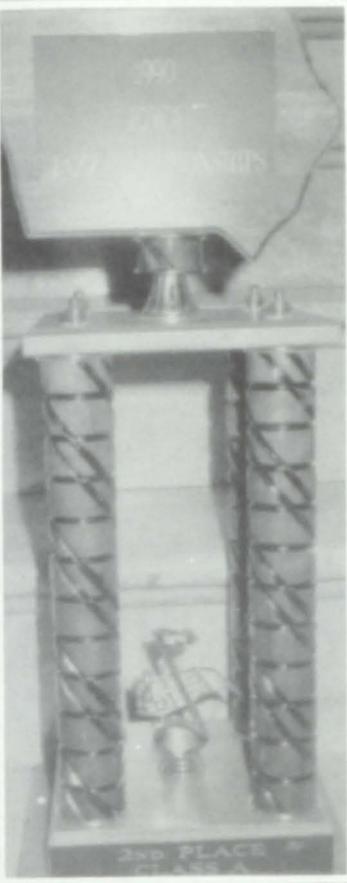

# A TRIP TO THE LIBERTY BOWL

The trip to Memphis started at 6 p.m. Christmas night. The marching band piled into the White Tiger Lines bus for an 18 hour drive. Once in Memphis, the band stayed at the ritzy Mariott Hotel. On Wednesday the band place 5th out of nine bands in the field competition. The rest of the day was devoted to the mass band practice for the Liberty Bowl halftime performance. The following day was the big day for the Liberty Bowl game with Ole Miss. vs. Air Force. The halftime show was GREAT! The mass band formed the shape of the United States with fireworks, professional dancers and the Bronson Brothers. The next day the bus went to Graceland, home of Elvis Presley, and the Space Center in Huntsville, Alabama. Band members and chaperones had a great time. Everyone can be very proud of the Sutherland High School Marching Tigers!

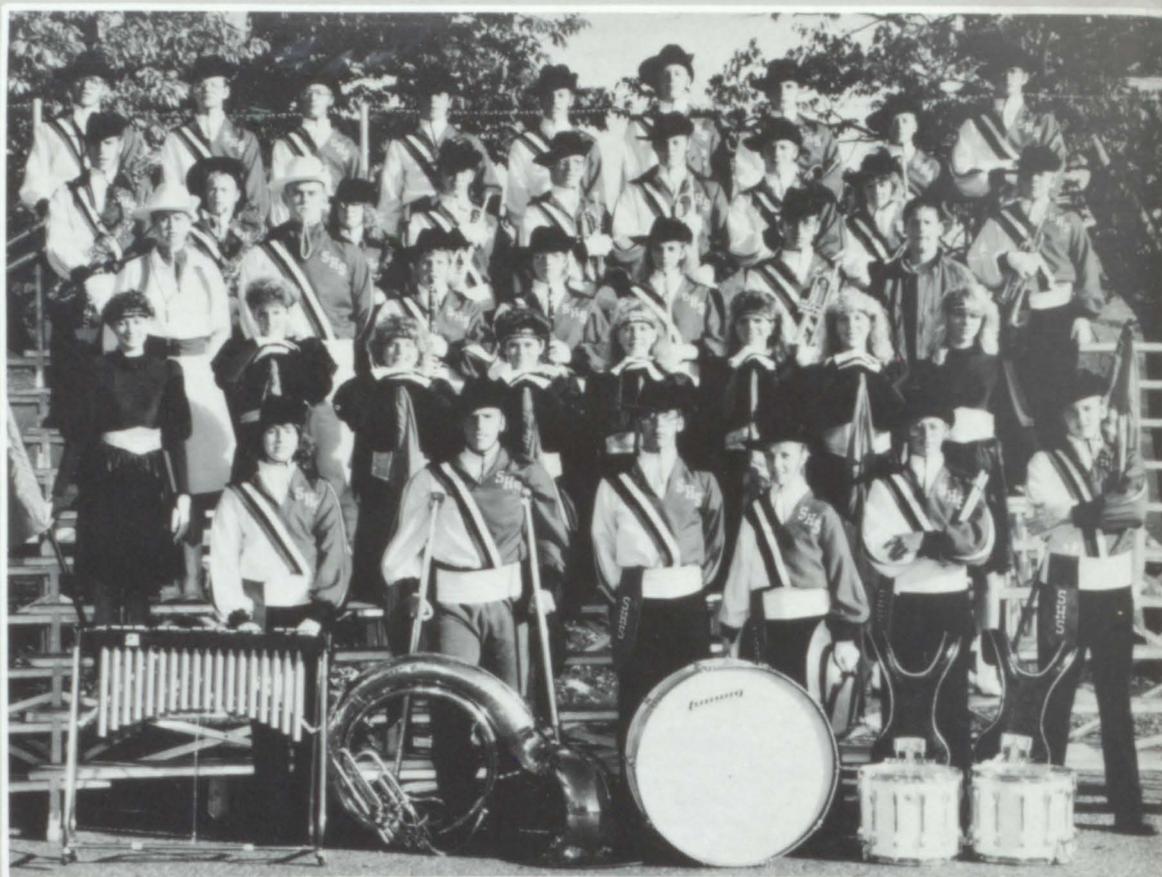

## SHS JAZZ BAND #2 AT STATE!

The Sutherland High School Jazz Band, under the direction of Paul Niebuhr, arrived home on Friday, April 13 with a beautiful trophy declaring them the 2nd best jazz band in the state of Iowa. The band, after earning the right to compete in state competition at local contests, traveled to Des Moines for the state competition for the 11th straight year. Jamie Tremmel and the saxophone section received outstanding performance awards. The school and the community are very proud of the Jazz Band and Mr. Niebuhr. Many hours of work and early morning rehearsals all paid off for everyone. Congratulations!

The 1989-90 TIGER DUKE Staff, along with their slave driver (advisor), have put in many hours of hard work to bring to you this yearbook. We hope that you enjoy paging through the school year, recalling all of the precious memories you have of being a TIGER. The staff would like to thank everyone who bought ads, gave donations, and purchased a TIGER DUKE. Without your support our job would be impossible. An extra big thank-you goes out to Ms. Johnson for delivering the film to K-Mart, Mrs. Jackson for proofreading our pages, and to the mothers who took a day out of their busy schedules to chaperone us while selling ads. We would also like to thank the Courier, parents, and students who allowed us to use their pictures. We hope each and everyone will keep the TIGER in you.

Team records that were set during the year were, Best Overall Record (18-3), Most Wins in one Season (18), and Most Blocked Shots by a Team (68).

There were also a number of individual records set during the course of the year. Phyllis Davis set two records in the guard court with Most Blocks in One Season (50) and Most Blocks in One Game (7). Julie Magnussen set two records in the forward court with Most Field Goals in a Career (422) and Most points in a Single Game (56). # PAST TIMES

There have been many highlights in the history of the Sutherland Community School District. Many events and happenings should be included in this section of our book. Space and difficulty in finding pictures have greatly limited our ability to show them to you. We hope that the few we were able to secure satisfy you and the others that we were not able to find stay in your own mind. The TIGER has left his paw print on each of us throughout the years, just as he has left his paw print on each of these pages. We encourage you to have your TIGER friends leave their paw prints on the autograph pages at the end of the TIGER DUKE so they will always be able to stay with you also.
